We are Polish family owned business and we have been producing tasty and healthy sweets for over a quarter of century. We proudly collaborate as well as create Polish tradition of confectioner's trade. The high quality of our products is continuously being ensured since 1992. We are currently improving our portfolio by adding more unique items in order to satisfy consumers needs.

Our sweets treats ARGO offer not only consists of traditional lollipops, juicy bubble gum lollipops, hard and filled caramels, but also handmade products, e.g. Easter lambs, Christmas tree icicles. In our efforts we do not forget of milk and chocolate connoisseurs therefore, especially for them, we have prepared a delicious collection of Choco Jello sweets.

The high class of our products is indicated by natural coloring and flavours, fruit juices, vitamins as well as lack of preservatives. We have achieved the status of one of the top-producing Polish candy brands mostly due to our dedicated team of workers, but also due to strictly obeyed quality standards, advanced and currently being improved technological and laboratory facilities. ARGO produces over 5 million kg sweets per year including 100 million pieces of lollipops. Our products are available in the majority of European countries as well as outside the continent, e.g. USA, Canada, Uzbekistan, Libya, Mongolia, China, Kazakhstan, Azerbaijan and Israel.

Our conscious approach to food safety and innovation is recommended by the International Food Standard (IFS) certificate on higher level.
